

BCL24

Heavy Duty Battery Powered Secateurs 45 mm

PRODUCT DETAILS

- High-quality chrome-plated SK5 Japanese steel blade: Stays sharp, reduces friction, excellent wear resistance and rustproof
- Highly efficient brushless motor
- Non-slip soft-grip handle for better grip and comfort
- Accurate progressive trigger for controlled blade movement
- Dual blade opening 30 mm for fast and efficient pruning or 45 mm for intensive and powerful pruning
- Supplied in a rigid case with removable foam for easy storage once in use
- Includes battery BCL2B2, charger BCL2C1, holster BCL2HOL, harness BCL20H, armband BCLAB, grease BCL2GR and tools.
- Sturdy and robust design
- Cut thick branches and even the hardest wood with ease, especially when pruning stone fruit, olive, citrus and nut trees.
- Extremely powerful cutting and very clean cut finish for accurate cuts even on very hard wood.
- Easy blade change and adjustment with maintenance cover access
- Lubrication hole and nut lock for easy maintenance
- One tool suitable for both left-handed and right-handed users
